2. **Grant title:** Strengthening Indigenous Youth Participation in sustainable development and ecosystem protection
3. **Grant number.**
4. **Grant amount** (US dollars): \$180,000
5. **Proposed dates of grant:** 01 July 2022 to 30 June 2024
6. **Countries or territories where project is located:** Preah Vihear Province, Cambodia
7. **Full name, title, telephone numbers, and electronic mail address of Grantee personnel responsible for the health and safety plan:**
CIYA, Ph (855) 17797579, Email: info@ciyanet.org
8. **Summary of the project:** The project will work with 11 indigenous communities in Preah Vihear Province. The work will be youth organizing, community media, youth livelihoods project and participation in community natural resource management.
9. **Date of preparation of the health and safety plan:** 27 February 2022
10. **Describe the component of your project that has raised health and safety issues:** This section should explain the activities that might cause concern about health and safety.

There is a risk that the project, through conducting meeting and workshop, plays a role in the spread of COVID-19 (or a similar disease). With regard to COVID, it is possible that new variants will arise and spread.

Staff and community volunteers will be travelling along sometime poor roads to get to remote villages. There is a risk of accident, civil unrest or random violence.

11. **Actions to ensure health and safety:** Describe actions that will be taken to ensure the health and safety of project workers as well as local community members. Include a description of the precautions that will be taken against transmission of COVID-19.

CIYA staff and community volunteers will follow latest government health advice. CIYA will ensure that COVID testing is available to people involved in the project. CIYA will play a role in distributing government health advice.

CIYA staff wear helmets on motorbikes. They maintain close communication with each other, so that, if an accident happens, there is timely action. CIYA staff also monitor the situation with regard to civil unrest and take this into account in their activities.

12. **Budget:** Please provide an estimate of the cost of implementing the health and safety plan, and clarify the source of funds (including if these are CEPF funds)

No extra budget required.

13. **Monitoring and Evaluation:** This section aims to outline what steps the grantee will take to monitor and evaluate the impact of the proposed intervention.
CIYA will keep incident reports for things like accidents. If there is a rise in COVID, CIYA will be monitoring the number and severity of cases in staff and in the communities in which CIYA works.
